

Website Project Specification Master

DEONARAYAN ESTATE + ANIMA SKY RESIDENCY

A single source pack for the website team: project identity, specifications, floor-plan references, architectural imagery, contact information, source status, and implementation notes.

DEONARAYAN ESTATE	ANIMA SKY RESIDENCY
ONGOING	SOLD OUT
Use this document as the website content/reference pack. Do not invent missing facts.	Brochure-era details are preserved; current fields marked VERIFY must not be guessed.

How this master pack is used

The website can be designed creatively; the factual layer stays source-controlled.

RULE	WEBSITE BEHAVIOUR
FACTS	Use the project data exactly as supplied here or from a newer verified source.
VISUALS	Supplied brochure renders and plans are references/source assets. AI-generated architectural scenes are illustrative unless verified.
MISSING DATA	Show SOURCE REQUIRED / VERIFY rather than inventing an address, price, availability, possession date, approval or amenity.
PAYMENT	Brochure payment schedules are historical/source-derived commercial information. Do not present them as current without confirmation.
LOGOS	Use original supplied project/developer logos; do not redraw or reinterpret them.
3D	Any website 3D building must preserve the supplied architecture; no invented floors, balconies, windows or façade changes.

Website status supplied in the current project brief: Deonarayan Estate = ONGOING; Anima Sky Residency = SOLD OUT. These are separate from brochure-era commercial schedules.

DEONARAYAN ESTATE

Identity and website-ready project facts.

FIELD	LOCKED / WEBSITE VALUE
Project	DEONARAYAN ESTATE
Status	ONGOING — current project brief
Registration	JHARERA/PROJECT/49/2025

Technical specification showcase

Brochure-derived specification language, reorganized for website presentation.

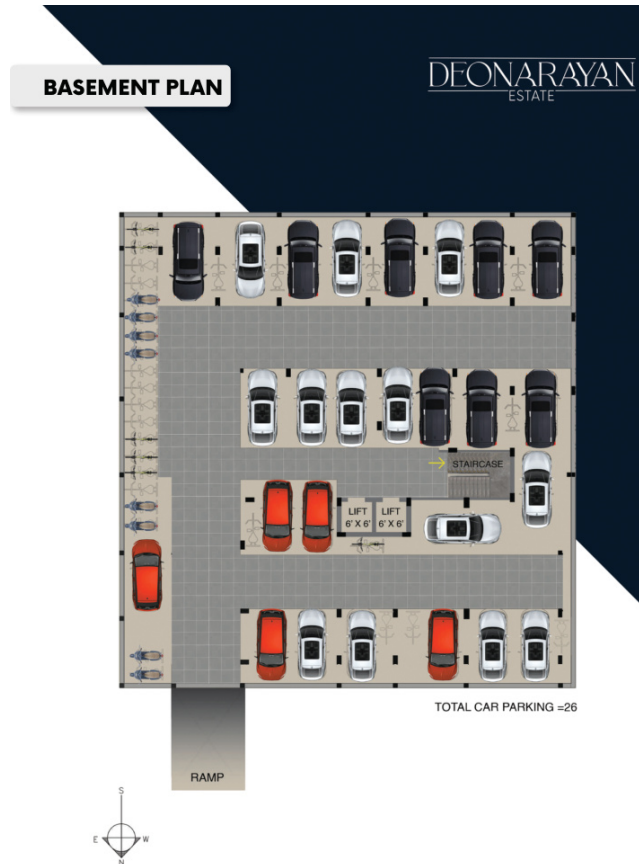

STRUCTURE	RCC Frame Structure with earthquake resistant design and drawing.
DOORS & WINDOWS	Elegant flush main door with central lock. Internal flush doors with S.S. hardware and wooden/marble frames. Aluminium sliding windows with glass panels.
FLOORING	Vitrified 2'×2' tiles in covered flat area. Marble flooring in corridors and stairs. Parking with PCC and checkered tiles. Open spaces with paver blocks.
BATHROOM	Anti-skid vitrified floor tiles; glazed wall tiles up to 7' height.
KITCHEN	Granite cooking platform with steel sink; 2' height glazed tiles above cooking platform; hot and cold water supply in the sink.
LIFT	6 passenger capacity lift of standard make.
WALLS	Internal walls: cement walls with Plaster of Paris. External walls: weather-proof textured paint.
ELECTRICALS	15A plug in each room; bedrooms with 2 light points, 1 fan point and 5A plug on each board; drawing room with ample 5A & 15A plugs; kitchen and bathrooms with light/exhaust points; copper multi-core wiring.
WATER SUPPLY	Common water tank per block; toilets include wash basin, I.W.C. or E.W.C. with cistern, geyser point and ISI-marked tap fittings.
GENERATOR	Silent mode generator for common light, lift, pump & 400 watt for flat.

Website presentation suggestion: turn each specification into an editorial module with a close-up architectural crop or material photograph. Do not add unverified amenity claims.

Floor-plan source gallery

Use the original drawings as the source of truth. Do not redraw or alter room relationships.

BASEMENT PLAN

GROUND FLOOR PLAN

1ST, 3RD & 5TH FLOOR

2ND & 4TH FLOOR

Plan data visible in supplied drawings

These figures are transcribed from the supplied plan graphics.

PLAN	BUILT-UP / SUPER BUILT-UP DATA SHOWN
GROUND FLOOR	Flat 1: 1151 sq.ft / 1496 sq.ft • Flat 2: 1093 / 1420 • Flat 3: 1016 / 1320 • Flat 4: 1136 / 1477 • Common Area: 1311 sq.ft
1ST, 3RD & 5TH	Flat 1: 1264 / 1643 • Flat 2: 1195 / 1553 • Flat 3: 1196 / 1553 • Flat 4: 1060 / 1378 • Flat 5: 1258 / 1635 • Common Area: 702 sq.ft
2ND & 4TH	Flat 1: 1229 / 1598 • Flat 2: 1198 / 1557 • Flat 3: 1196 / 1558 • Flat 4: 1060 / 1378 • Flat 5: 1259 / 1636 • Common Area: 702 sq.ft
BASEMENT	Total car parking shown: 26

Note: the website master project range of 1450–1650 sq.ft. should be treated as the high-level marketing range; individual plan graphics contain the detailed unit figures above.

Brochure payment & fixed-charge reference

Historical/source-derived commercial information — verify before publishing as current.

FLAT PAYMENT PLAN

1. **At the time of booking: 10%**
2. **At the time of Agreement (Within 15 Days of Booking): 10%**
 - i. 1st Installment Basement Roof casting: 10%
 - ii. 2nd Installment G.F. Roof casting: 10%
 - iii. 3rd Installment 1st Floor Roof casting: 5%
 - iv. 4th Installment 2nd Floor Roof casting: 5%
 - v. 5th Installment 3rd Floor Roof casting: 5%
 - vi. 6th Installment 4th Floor Roof casting: 5%
 - vii. 7th Installment 5th Floor Roof casting: 10%
 - viii. 8th Installment on Brick work: 10%
 - ix. 9th Installment on Internal Plaster & Flooring: 10%
 - x. 10th Installment on Internal finishing: 5%

Visual asset map

This page turns the source material into a reusable website asset system.

WEBSITE MODULE	DEONARAYAN	ANIMA
Hero	Supplied façade render / locked architectural scene	Supplied brochure cover render
3D building	Build from supplied elevations/plans + locked façade reference	Build from supplied façade render + plan set; fallback to approved render
Architecture detail	Balconies, façade geometry, wood-toned elements, rooftop structures	Projecting balconies, dark railings, wood-toned vertical elements, central mass, roof structures
Plans	Basement, Ground, 1st/3rd/5th, 2nd/4th	Ground, First, 2nd–6th, Basement
Specifications	10 technical categories in this pack	13 residential categories + shop specification
Location	Verified project address supplied	Original location plan; full current postal address requires source
Commercial	Current pricing/availability requires live source	SOLD OUT; payment plans archival
Contact	Brochure contact supplied	Brochure contact is historical; current contact requires source

Architectural model lock

The website 3D object is an interactive architectural reference, not an opportunity to redesign the building.

LOCK	DEONARAYAN	ANIMA
Preserve	G+5 massing; supplied balconies; façade geometry; windows; central architectural feature; wood/walnut elements; rooftop structures/pergola/canopy; entrance/parking relationship.	Supplied façade massing; projecting balconies; dark railings; wood-toned vertical elements; central projecting mass; rooftop structures; ground glazing/entrance/plinth; boundary relationship.
Do not invent	Extra floors, balconies, amenities, façade elements, dimensions, landscaping conditions or structural details not supplied.	Exact wall thickness, balcony projection depths, window dimensions, structural sizes or other geometry not supplied.
Fallback	Use approved architectural render if true 3D cannot be made accurately.	Use supplied architectural render if true 3D cannot be made accurately.
Interaction	Drag rotate • scroll/pinch zoom • controlled camera presets • reset view.	Drag rotate • scroll/pinch zoom • controlled camera presets • reset view.

Ready-to-use content blocks

These are deliberately factual and short so they can be placed directly into the site.

DEONARAYAN ESTATE

An ongoing residential project by SkyScraper in Hazaribagh. The supplied project material identifies 3 BHK residences and a website master area range of 1450–1650 sq.ft. Super Built-Up Area.

FIELD	VALUE
Status	ONGOING
Type	G+5 Residential Apartments
Configuration	3 BHK
Area	1450–1650 sq.ft. Super Built-Up Area
RERA	JHARERA/PROJECT/49/2025
Address	Behind St. Stephen School, New Bus Stand, Forest Colony, Hazaribagh-825301, Jharkhand

ANIMA SKY RESIDENCY

A completed chapter in the SkyScraper story. The supplied brochure documents residential and commercial floor plans, specifications and a location plan. Current website status: SOLD OUT.

FIELD	VALUE / STATUS
Status	SOLD OUT
Residential types	Flat A, B, C, D
Residential areas	1025/1335 • 995/1295 • 790/1030 • 925/1205 sq.ft. carpet/super built-up
RERA	SOURCE REQUIRED
Current postal address	SOURCE REQUIRED

Website publishing checklist

Use this before any project page or campaign asset goes live.

CHECK	PASS CONDITION
Identity	Project name exactly matches source.
Logo	Original supplied logo used; no AI redraw.
Registration	Deonarayan RERA shown exactly as JHARERA/PROJECT/49/2025.
Address	Deonarayan address copied exactly; Anima current address only after verification.
Specifications	Every technical claim has a source in this pack.
Plans	Original plan images retained or faithfully reproduced; no room relocation.
3D	Model matches supplied architectural references; unsupported geometry not presented as fact.
Availability	Deonarayan current availability/pricing is pulled from live verified source; Anima remains SOLD OUT only from current project brief.
Commercial	Historical brochure payment plans are not presented as current offers without confirmation.
Contact	Current website contact is verified before publication; brochure contacts are labelled source/historical where appropriate.
AI imagery	Illustrative AI imagery is not presented as an actual site photograph.
Mobile	Plans are pinch-zoomable; 3D has touch controls; text remains readable.

FAIL-SAFE: If a factual field is missing, conflicting, ambiguous or outdated, mark it **SOURCE REQUIRED / VERIFY**. Do not guess.

Documents represented in this pack

Keep these source documents with the website project repository.

SOURCE	ROLE
Deonarayan Estate — Brochure.pdf	Project identity, RERA, addresses, technical specifications, floor plans, payment schedule, contact information.
Deonarayan Estate — Locked Fact & Creative Control Spec	Governance rules, fact/creative separation, locked contacts and publication QA.
Anima Sky Residency brochure — 8 pages	Architectural render, residential/shop specifications, payment plans, floor plans and location plan.
DEO-FACADE-LOCK-01	Current locked architectural scene/reference for Deonarayan visual work; do not redesign.

Important source note: the Anima brochure is a brochure-era source and itself contains a conceptual/legal disclaimer. The website must distinguish brochure-derived information from current verified information.

END OF MASTER PACK

This PDF is intended to eliminate repeated re-supply of project specifications during website design. New factual information should be added only through a newer verified source or explicit project-owner confirmation.
